The PTO is a volunteer organization and its success depends on participation from our families. Our main focus is to support our school and our students. Being involved is one way to further your child's education, learn more about the school and meet other parents in the McKinley community. We kindly ask for your support through volunteering and/or attending our activities. We can always use help, and any time you have available would be greatly appreciated. Please take a moment and look at the "McKinley Needs You" flyer in this packet and sign up for an event that interests you. The PTO is only as successful as its volunteers. Dedicated parents who share their time with the school community sends the best message to their children. Children take pride in seeing their parents in school, and in turn, you are letting them know you care about their education and school experience.

This year's board consists of Mavis Robinson (President), Tara Eng (Treasurer), Lisa Edmonds (Vice President), Kerri Kurek (Vice President), Kelly Moore (Vice President), Marlyse Burlingame (Corresponding Secretary) and Jenifer Arroyo (Recording Secretary). Be sure to stop by the PTO Table at Back to School Night to say Hello!

Sincerely,
Your PTO Board.
