

In the spirit of Fall, the Eliot School Physical Education program along with support of the Eliot PTC, are hosting a Pumpkin Run/Walk on **Saturday, October 27th at 9:30am.**

The Pumpkin Run/Walk is a chance for both students and families of the Eliot School to exercise together to promote a healthy, active lifestyle. This will not be a timed event, but rather a chance to have fun as a family.

Each participant receives a popsicle stick after each completed lap. At the end of each lap, these will be turned in to a bucket so we can count the number of laps completed and total distance traveled as a school.

Last year we traveled over 400 miles, so let's see if we can beat that this year!!

**WHEN:** Saturday, October 27th at 9:30am. Eliot School

*(No rain date will be used if it is cancelled due to inclement weather.)*
