

Fifty for Families

At MDE, we support summer literacy!

To help families keep up good reading habits everyday over the break, the library would like to offer an opportunity for each family to check out up to **FIFTY** books this summer.

Parents may sign up to visit the library the week of **May 20th to 23rd**. Mrs. Veenhuyzen will help you curate a collection of books to support your child building a love of reading and prepare them for the upcoming school year!

Books will **ONLY** be checked out to parents.

Books can be returned at our Back to School event in August.

Please contact Mrs. Veenhuyzen if you have any questions.
