

Dear Parents,

Yearbooks will be available on or around June 20. This has been a student-led project – and they look AMAZING!

In our annual PTA budget, we project that we will earn back as much as we spend on yearbooks. In the spirit of equity and inclusion for all, yearbooks will be distributed to all students. We urge you to purchase your yearbook now - and consider sponsoring other students.

**The cost is \$20 per book.** You can order by returning this form to your student's advisor with cash or check (payable to MS 297 PTA), or order online at [www.75morton.org](http://www.75morton.org).

*Again, please consider purchasing multiple books – to underwrite the cost of the yearbook for other students! We thank you!*
