

# KINDNESS IS CONTAGIOUS!

TheKindnessElves.com

Dear Students,

We are the Kindness Elves, magical friends who love nothing more than sprinkling kindness and joy wherever we go!

During this holiday season, it is so important to spread kind acts no matter where you go – your home, your friends, your church, your neighbors, – anywhere, anytime! To help you get started, we are giving you holiday-themed cards so you can sign and include them with Christmas gifts, pass them around to family and friends (and we even included a card for your mail carrier!). You can also use Page 5 to cut out the small cards, put them into a container, and pick a card each day to show an act of kindness. Do you know how good it feels to spread kindness? It's magical!

We hope you have a wonderful holiday and we can't wait to watch you show your acts of kindness...here's a little secret...even though you can't see us, we can see you! Remember how we said we're magical?

Always Choose Kind,

The Kindness Elves
