

GO GREEN Needham Expo

Saturday, November 10
10am-4pm at Needham Town Hall

Hosted by Green Needham Collaborative and League of Women Voters of Needham

Bring the whole family out to the GO GREEN Needham Expo! Find out how going green can help put money in your pocket and a smile on your face. There will be fun and inspiration for everyone!

- ◆ Learn how switching to renewable energy such as solar and geothermal can cut CO₂ emissions and save money
- ◆ Check out and test drive Electric Vehicles
- ◆ Take a ride on an Electric Bike
- ◆ Watch your kids build and race solar powered cars and make music from junk
- ◆ Sign up for a home energy audit
- ◆ Try the latest higher-powered yet quieter electric lawn mowers and leaf blowers
- ◆ Learn how to reduce waste and recycle right
- ◆ Attend enlightening sustainability-related talks: Climate Change; Food Sustainability; Net Zero Homes—and more
- ◆ Learn about local outdoor hikes and activities right here in our backyard
- ◆ Talk to organizations who are working towards solutions to the climate crisis
- ◆ Learn sustainable gardening and the benefits of buying local food

***Lunch and musical entertainment
Activities for all ages***
